

A Guide to Employing an Early Years Apprentice

The purpose of this course is to help you think about what you need to consider when taking on one or more apprentices to expand your capacity. It will also outline the benefits of employing an apprentice, as well as the responsibilities with regard to their terms and conditions, training and assessment.

Key features

- Level 2 course (as graded against the nationally accepted levels, equivalent to GCSE grades A*-C).
- One module with a multiple choice questionnaire.
- One CPD hour with a personalised downloadable certificate.
- 70% pass mark.
- Written in partnership with the Pre-school Learning Alliance.
- Optional narration of the module for accessibility.
- Additional resources for further learning and printable module for future reference.

Course objectives

This Pre-school Learning Alliance course covers:

- government policy and funding options
- information about the apprenticeship training programme
- benefits and considerations of employing an apprentice
- how to train, assess and support an apprentice
- next steps upon completion of an apprenticeship.

This course also includes information that providers will require to effectively employ an early years apprentice, in addition to reflective and knowledge check questions, drag and drop activities and links to online resources that support the key learning points.

Why choose us?

“Managers undertaking courses with their teams have reported a huge impact on the delivery of quality care and learning in their settings.”

Michael Freeston
Director of Quality Improvement
Pre-school Learning Alliance
