# EduCare®

An Introduction to Child Sexual Exploitation

This programme will help you to understand the issue of child sexual exploitation know the signs and be equipped to act. At EduCare, we ensure that all of our training programmes are written and endorsed by experts. This programme meets national Police approved standards and is accredited by Secured by Design, a national police project based on crime prevention.

Key features

- A level 2 programme (as graded against the nationally accepted levels and equivalent to GCSE grades A* - C).
- One module with a multiple choice questionnaire.
- One CPD hour with a personalised downloadable certificate.
- 70% pass mark.
- Optional narration of module for accessibility.
- Accredited with the 'Secured by Design' seal of approval.
- This programme includes the Rotherham and Breck Bednar case studies.
- Additional resources for further learning and printable modules for future reference.

Module Content:

1. An Introduction to Child Sexual Exploitation

- What is child sexual exploitation?
- The categories of child exploitation.
- How common is sexual exploitation?
- Who is most at risk from exploitation?
- What is the impact of child exploitation?
- What to do if you are worried about a child.
- Sexting and the legal consequences in the UK.

Programme Objectives

An Introduction to Child Sexual Exploitation provides a thorough understanding of how to best safeguard children and young people from abuse by sexual exploitation.

1. What child sexual exploitation is and who is most at risk.
2. The impact it has on children and young people.
3. The warning signs that a child may be suffering.
4. What to do if you are worried about a child or young person.
