

## Child Neglect for International Schools

This course for international schools will provide a thorough insight into child neglect, covering the essential facts to raise your awareness of neglect and help you to understand the factors that may contribute to it. At EduCare we ensure that all of our training courses are written by experts.

### Key features

- Level 2 course (as graded against UK nationally accepted levels, equivalent to GCSE grades A\*-C).
- Enhanced with an optional narration feature for accessibility purposes.
- 70% pass mark.
- Three modules with multiple-choice questionnaires.
- Delivers 3 CPD hours with a personalised downloadable certificate.
- Interactive design for higher engagement.
- Additional resources for further learning and printable modules for future reference.

### Course objectives

This course provides a thorough understanding to anyone who comes into contact with children and young people on child neglect.

1. Understand what neglect is and how common it is.
2. Recognise the different areas of a child or young person's life that neglect may touch and the cost of neglect to society.
3. Identify the key components of effective parenting and the factors that may contribute to child neglect.
4. Understand the work of professionals in children's social care, whose job it is to weigh up all the factors and consider interventions to protect children who may be at risk of harm.
5. Identify the signs and indicators that should alert you to the possibility a child or young person is being neglected and how to report your concerns.

### Target audience

This course is relevant for anyone working with children and young people of any age in an international school setting.

## Module content:

### 1. Introduction

- The basic forms of neglect.
- Children's key developmental milestones.
- What harm neglect can do.

### 2. Why are children neglected?

- The key components of effective parenting.
- The factors that may contribute to child neglect.

### 3. Recognising and reporting child neglect

- The signs and indicators that should alert you to possible child neglect.
- How to report your concerns.

## Why choose us?

“ I thought this was excellent training. As a Headmaster, I am involved in Child Protection cases in the school. Whilst I was confident of the frameworks, etc, this training was very reassuring. Well done. ”

Alexander Mitchell,  
Headmaster, Holmwood House School

“ This information was very new to me. It has opened my eyes and given me insight into things I always took for granted. It was very useful and informative and comes at an opportune moment for me since I am just starting at a Secondary School. ”

Roselina Harris,  
Sacred Sports Foundation Inc.
