Why people choose us

I thought this was excellent training. As a Headmaster, I am involved in child protection cases in the school. Whilst I was confident of the frameworks etc this training was very reassuring. Well done.

Alexander Mitchell, Headmaster, Holmwood House School

Very engaging content, easy to load, use and review. Very happy with the training.

Michael Peter Hewitt, Sound Waves South West

I have just started the Child Protection – Level 3 programme, which I will also be getting for all my senior staff. For me, EduCare has saved me lots of time and money because I have not had to send any of my staff out for training and cover their absence with agency staff.

Nathan Sweetman, Nursery Manager, Teddies Nursery

This is my first time using EduCare's online training. The course content is very clear, informative and easy to follow. The best thing about it was it gave me a chance to go back and re-read through the modules ensuring that I fully understood everything before I did the questionnaire. Thank you very much, I enjoyed my training. I will definitely come back to do more programmes!
