- how to respond if you have concerns about a child's welfare
- starting difficult conversations
- using open questions
- making notes and sharing information
- allegations against staff.

### Module 5 Promoting Good Practice

This module covers:

- the different laws and statutory guidance that protect children and young people
- what you and your organisation can do to ensure that the children in your care stay safe from harm
- good practice for your organisation
- the importance of underpinning safeguarding in your organisation.

**This course is suitable for**

This course is relevant for anyone who comes into contact with children of any age in an international education setting.

# Key features

- Visually engaging and highly interactive
- Video to highlight key learning points
- Scenarios to embed learning
- Answer explanations for those who achieve the pass mark
- Additional resources to expand learning

# Purchase options

1. Available as a standalone course on the EduCare website.
2. Buy as part of one of our multi-course licences. For further information, please call 01926 436212 to discuss purchase options and licences.

Contents

## 4 Underpinning principles

Here are some underpinning principles to help you. (Click the boxes)

Ensure your safeguarding training is current and you understand your school's policies and procedures. Be absolutely clear that you know what to do if you have concerns about a child or a colleague's behaviour.

## Questionnaire 1

1 2 3 4 5 6 7 8 9 10

Drag and drop the words into the correct boxes.

How a child grows and  is strongly influenced by the support and guidance of others that are around them. A child should progress to reach their potential if their  needs are met,  capacity is stable and family and environmental factors are positive. As children grow, the extent to which these needs are met will shape the individual as a whole.

# Why choose us?

“ I have now been using the EduCare programme to support understanding in Child Protection and Safeguarding for over 5 years. It is an invaluable resource which allows learners to work at their own pace and also organisations to provide a broad and detailed level of support to staff. ”
