

Child Protection

This programme will provide a thorough insight into Child Protection, covering the essential facts to contribute to the health and welfare of children and young people helping them to grow up in a safe and supportive environment. At EduCare we ensure that all of our training programmes are written and endorsed by experts. This programme is accredited by Kidscape and Family Lives, leading experts in child protection.

Key features

- Level 2 programme (as graded against the nationally accepted levels and equivalent to GCSE grades A* - C).
- Five modules with multiple choice questionnaires.
- Five Continuing Professional Development (CPD) hours with a personalised downloadable certificate.
- Certificate accredited by Kidscape and Family Lives.
- Endorsed by Kidscape and Family Lives.
- Accredited by Secured by Design and meets the national Police approved standards.
- Available in both online and paper formats.
- 70% pass mark.
- Optional narration of each module for accessibility.
- Additional resources for further learning and printable modules for future reference.

Programme objectives

This programme provides a thorough understanding of child protection to anyone whose paid or unpaid work or leisure activity brings them into contact with children and young people.

1. Understand what forms child abuse can take and the effects it can have.
2. Recognise signs that may mean a child is suffering abuse and how to respond if a child confides in you.
3. Learn the processes for reporting abuse
4. Understand the child protection system
5. Identify good practice guidelines.

Target audience

This programme is relevant for anyone whose paid or unpaid work or leisure activity brings them into contact with children and young people.

Module Content:

1. Child Development

- What a child needs to develop.
- The different stages of child development.
- Negative influences of a child's development.

2. Forms of Child Abuse

- Different forms of child abuse
- The effects of child abuse
- The myths surrounding child abuse

3. Recognising and Responding to Abuse

- The signs that may mean a child is suffering abuse
- How you should respond if a child confides in you.
- If you have concerns about a child's welfare.

4. Reporting Abuse and the Child Protection System

- How you should report abuse
- What happens after you have reported your concerns.

5. Good Practice

- What you and your organisation can do
- Good practice guidelines.

Why choose us?

“ We put our Group Leaders through the Child Protection programmes. For us, the main benefits of EduCare were that it covered the NVQ requirements and was a useful, flexible training tool to reach people who need the information but could not always attend a training session. ”

Yvonne Richards,
Training and Development Manager, Kidscape

Why choose us?

“ This information was very new to me. It was very useful and informative and comes at an opportune moment for me since I am just starting at a Secondary School. The information learned will be fully applied. Thank you very much. ”

Roselina Harris,
Staff Officer of St. John Association
