## Why choose us?

“ I'm grateful for the work EduCare do. It was the backbone of my CPD when I was a supply teacher for a few years and it is still my first port of call when I need information (e.g. about the new SEND Code of practice - I'm a Teacher of the Deaf) or when I need to refresh my memory about First Aid, Child Protection, fire hazards ... All essential stuff: 'Duty of Care' says it all really. ”

- Peter Caughey, Heston Community School

“ The online nature of the service makes it a most accessible and cost-effective training model for the full range of professionals who support children and young people in a variety of settings. ”
