# EduCare®

Online Safety

This programme will help you to understand the potential risks and dangers associated with keeping children and young people safe online. At EduCare, we ensure that all of our training programmes are written and endorsed by experts. This programme has been accredited with the Police Crime Prevention Initiatives 'Secured by Design' seal of approval.

Key features

- A level 2 programme (as graded against the nationally accepted levels and equivalent to GCSE grades A* - C).
- Two modules with multiple choice questionnaires.
- Two CPD hours with a personalised downloadable certificate.
- 70% pass mark.
- Accredited with the Police Crime Prevention Initiatives 'Secured by Design' seal of approval.
- Optional narration of module for accessibility.
- This programme includes the Breck Bednar case study and the Spectrum of vulnerability.
- Additional resources for further learning and printable modules for future reference.

Module Content:

Module One

- What is meant by 'Digital natives'?
- What is online exploitation and what are the risks?
- What are children doing online and what are the risks?
- The types of online bullying.
- The effects of a poor online reputation.

Module Two

- Which children are vulnerable?
- The four Cs for potential risks that face children online.
- The Spectrum of Vulnerability.
- What we can do as individuals as parents.
- What we should teach children and young people.

Programme Objectives

Knowing the potential risks and being able to encourage responsible and safe use of the internet is vital to help safeguard children online.

1. Understand how technology is changing and its effects.
2. Become more informed about what children and young people do online.
3. Identify the risks that technology can pose.
4. Understand which children are more vulnerable.
5. Know what we can do as individuals.
6. Enforce good practice guidelines.
