- Two CPD credits\*
- Optional narration of the course module and questionnaire for accessibility
- Personalised downloadable certificate
- 70% pass mark
- Printable module for future reference

\*1 CPD credit equals up to 1 hour of learning

## Course content

### The course covers:

- the legal position, including the principal pieces of legislation for educational visits and their requirements
- parental consent
- policy, procedures and competency
- the risk assessment process and the steps towards developing a risk assessment at an appropriate level for the trip
- understanding the terminology used when undertaking risk assessments
- other factors which could be considered as part of the risk assessment process such as; financial, transport, and insurance arrangements etc.
- what should be in place when using partnership, host organisations and tour operators, and the importance of carrying out the required research ahead of booking
- the evaluation and debrief process during and after the planning of the visit and the importance of keeping effective channels of communication throughout
- contingency planning in the event of something going wrong, especially if the school is taking a group abroad.

## This course is suitable for

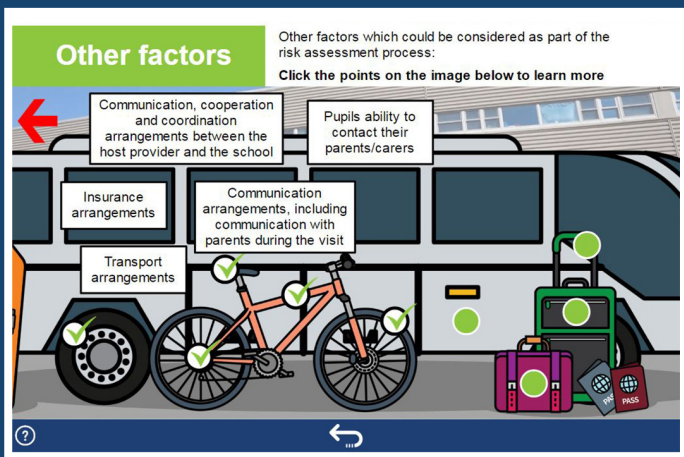

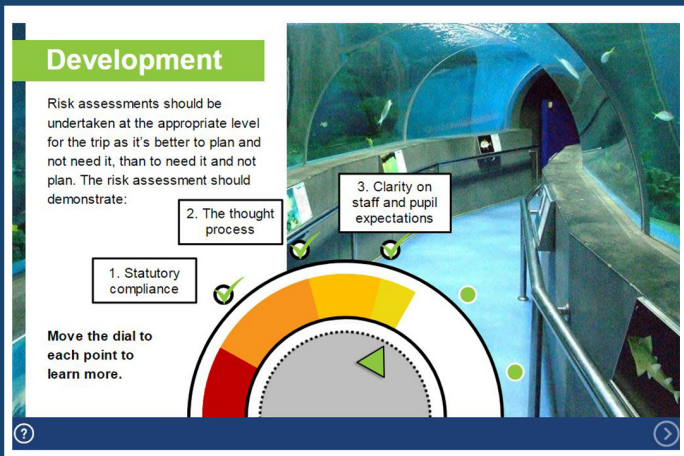

Educational Visits Co-ordinators (EVCs) and members of staff who are involved in, and/or responsible for educational visits.

# Key features

- Visually engaging and interactive.
- Answer explanations for those who achieve the pass mark.
- Additional resources to expand learning including extra information on roles and responsibilities for educational visits and school trips.

# Purchase options

1. Available as a standalone course on the EduCare website.
2. Buy as one of our EduCare multi-course licences. For further information, please call 01926 436212 to discuss purchase options and licences.

# Why choose us?

“EduCare provides a clear and simple mechanism to train staff in a variety of crucial and mandatory areas. Staff numbers continue to grow and time to deliver training face-to-face is becoming ever scarcer due to increased legislation.”
