

Safeguarding Young People

Colleges and Universities

This course is written for those who work with young people aged 16-25 in a further or higher education setting. It provides insight into safeguarding young people, covering the essential facts needed to help raise awareness and support young people who may be vulnerable because of their age, relative inexperience or past abusive experiences.

Course details

- One module with a multiple-choice questionnaire
- One CPD credit*
- Optional narration of the course module and questionnaire for accessibility
- Personalised downloadable certificate
- 70% pass mark
- Printable module for future reference

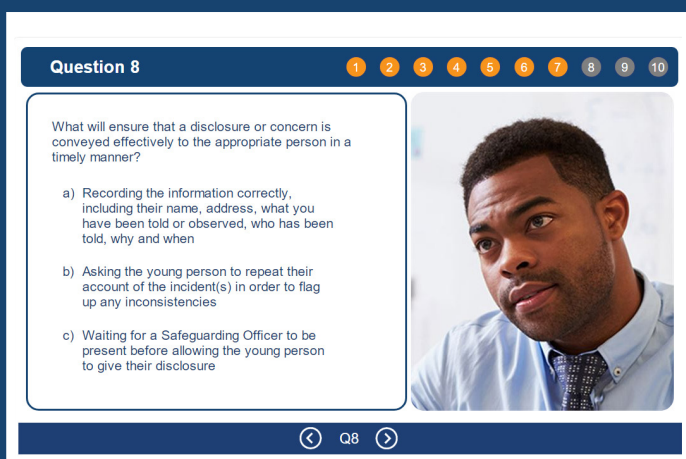

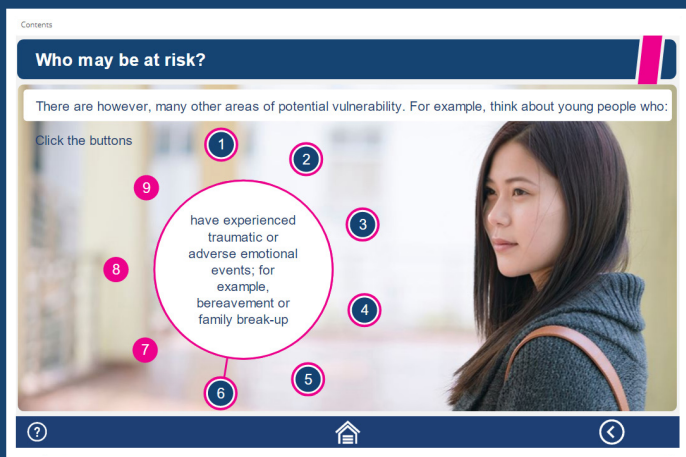

*1 CPD credit equals up to 1 hour of learning
