

Safer Blended Learning

Written in partnership with SWGfL – a charity ensuring children benefit from technology, free from harm. Blended learning supports children and young people's education using a combination of two main delivery methods; face to face interaction and remote learning.

Key features

- One module with a multiple-choice questionnaire
- One CPD credit*
- Optional narration of the course module and questionnaire for accessibility
- Personalised downloadable certificate
- 70% pass mark
- Printable module for future reference

*1 CPD credit equals up to 1 hour of learning

Course content

The course covers:

- What blended learning is
 - The two main delivery methods
- The importance of taking a whole school approach
 - Safeguarding
 - Online safety incidents
- Policies and procedures
 - Responsibilities
 - Policy reviews
- The impact of technology
 - Digital education platforms
 - Filters and monitoring systems
- Considerations for health and wellbeing
 - Health and wellbeing of pupils
 - Health and wellbeing of staff
- Good practice
 - Detailed scenario explaining good practice for an interactive live online lesson

This course is suitable for

Everyone working with children and young people either remotely or in person.

Digital education platforms

Deploying a common digital platform for all to access encourages a feeling of community and cohesion, as well as enabling: Click the icons to learn more.

Key features

- Visually engaging and interactive.
- Answer explanations for those who achieve the pass mark.
- Additional resources to expand learning including links to relevant legislation and guidance.

Virtual lessons and live streaming

Click each of the titles to see more information.

Software

Chat

Recording

Other considerations

Review the settings on the chat facility, thinking particularly about moderation and monitoring. For example:

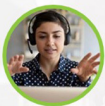

Do you want students to be able to use the public chat while you are speaking?

Do you want students to be able to send private messages to each other during lessons?

Considerations

Click each of the images to learn more.

2

Policies and procedures

Familiarise yourself with amendments to policies and procedures so you can be confident of doing the right thing.

Why choose us?

“The EduCare training modules include a wide variety of sources of information and a very current view of the issue. They are the fastest and most thorough way of accessing information for myself or my team.”

Alexandra Ihringova
