

Understanding Anaphylaxis

This course will help you to understand anaphylaxis and the severe and potentially life-threatening allergic reactions that trigger it. At EduCare, we ensure that all of our training courses are written and endorsed by experts. This course has been endorsed by the School and Public Health Nurses Association.

Course details

- Level 2 course as graded against the nationally accepted levels
- One module with a multiple-choice questionnaire
- One CPD credit*
- Optional narration of the course module and questionnaire for accessibility
- Personalised downloadable certificate
- 70% pass mark
- Printable module for future reference

*1 CPD credit equals up to 1 hour of learning

Course content

- A look at what anaphylaxis is, along with the common causes like nuts, milk, eggs and medicines like aspirin, antibiotics and general anaesthetic.
- The possible signs and symptoms of someone suffering from an anaphylactic reaction, as well as the different ways that reactions can present themselves.
- A look at the different treatments for anaphylaxis.
- Helpful information on dealing with anaphylaxis as well as a video and detailed information on what you should do if someone begins to have an anaphylactic reaction.
- Details on what you can do to reduce the risk of anaphylaxis.
- Information on alternative medication and the increased risk of anaphylaxis from poorly controlled asthma.
- Procedures for emergency medication including information on who you can administer it to and when to call the emergency services.
- Further information for schools such as details on individual healthcare plans and staff who should be aware of symptoms and emergency procedures.
- A collection of helpful resources to expand learning.

This course is suitable for

Anyone who wants to increase their understanding of anaphylaxis.

Key features

- Visually engaging and highly interactive.
- Answer explanations for those who achieve the pass mark.
- A bank of extra resources to extend learning.

Pricing options

1. Available as a standalone course on the EduCare website.
2. Buy as part of our Health Awareness Bundle. For further information, please call 01926 436212 to discuss purchase options and licences.

Why choose us?

“ I like the modular delivery of the courses and the fact that I can access management reports so that I know which people have undertaken the learning and exactly how they got on with it. It can also highlight any gaps in people’s knowledge that we can remedy if necessary. ”
